

Greetings,

There is still time to register for the CO Interlibrary Loan conference which will be held on April 26-27, 2012 at the Lory Student Center on the Colorado State University-Fort Collins campus. We've got a great line up of programs this year.

Ebooks continue to be a popular topic in libraries and we have a variety of presentations that address this topic. We'll learn about purchasing ebooks through patron driven demand; how one library has purchased an Adobe Content Server to host their own ebooks; and how ebooks are changing the landscape of resource sharing. We also have programs on library advocacy, the new WorldCat Resource Sharing program, the future of Interlibrary loan and more.

To see a complete list of programs, the registration form and more, go to <http://coill.cvlsites.org/>

We hope to see you in April!

**BUT WAIT THERE'S MORE!!!**

Consider attending the Colorado Library Courier pre-conference on April 25<sup>th</sup>, 9:30 – 11:30, same location as the conference. Valerie Horton, Executive Director for the Colorado Library Consortium (CLiC) will provide an update on the Colorado Library Courier and the add-on services to Missouri & Kansas (COKAMO & Blue Sky Express). We'll also celebrate the fact that Colorado libraries are now sharing more than 6 million items each year! This is a FREE event. We just ask that you reserve your spot, so we'll have a name tag for you and order enough cake! You may register at either the ILL Conference website, <http://coill.cvlsites.org/> or the CLiC website, <http://www.clicweb.org> (links are under the "Quick Links" panel on the right side of the page.
