KLA Activities

- This year, KLA's President, 1st Vice-President, and Treasurer all moved out of the state to take positions in other states. I have stepped in as interim Treasurer. With conference just a few weeks away, I am scrambling to get caught up along with the other new appointees to the Executive Council.
- Two long-time MPLA members and champions from Kansas have retired this year. Patti (Butcher) Poe retired in May and Jean Hatfield retired August 19.

Respectfully submitted,

Diana Weaver
